

- TASTE THE DIFFERENCE -

MODEL 78RMT

This extreme-volume, pressurized shake freezer features a dispense-head-mounted mixer that blends flavors and/or crumb toppings into the shake product as it is dispensed, producing a high-quality, hand-made shake consistency. The fast, easy way to serve flavors regardless of the viscosity of the flavoring syrup or the fruit pulp it contains. Great for ice cream stores and QSR's that want speed of service with the highest quality of shakes available.

The Electro Freeze Advantage

- **Patented Mix Transfer System*** simplest and most reliable pressurized system available
- **Flexible Mix Holding System** pumps directly from bags or from mix containers
- **Exclusive Auger Design** gently blends, reducing agitation, maintaining product quality and consistency
- **Superior Low Temperature Refrigeration System** provides the best in class production and product quality
- **Exclusive Mixer Design** allows the operator to simultaneously dispense and blend in flavoring to reduce servicing times
- **Experience Tells** Electro Freeze has been manufacturing quality frozen treat machines since 1929. Superior engineering, product innovations, sturdy construction, quality craftsmanship and dependable performance are Electro Freeze hallmarks.
- **Superior Service Support** backed by a worldwide distributor network

Optional

- Available without the spindle mixer for dispensing a single flavor.
